

Heart disease is the nation's number one killer, and it claims the lives of more than 4,000 men and women in New Mexico annually..

Dear Friends of the Foundation,

The Heart Hospital of New Mexico is seeking quality items for our silent and live auction for our **“An Affair of the Heart” fundraiser and we hope you can help us!** Our annual event “An Affair of the Heart” will be held on August 6, 2011, at Casa Esencia. In order to make this event a success we need your support. Please help the Heart Hospital of New Mexico Foundation continue its mission of protecting and healing the hearts of New Mexico.

Our mission is to promote cardiovascular wellness in all New Mexicans. We fulfill our mission through a variety of programs that incorporate community outreach, cardiovascular wellness education and activities. Your generous auction donation enables us to offer the following programs and services:

Project Pulse New Mexico: Automated External Defibrillator (AED) offers lifesaving technology in the prevention of premature death from sudden cardiac arrest. Our program places these life saving devices in approved businesses or organizations and provides the initial training for staff.

Continuous Ambient Relaxation Environment (CARE) Channel: The Foundation supports the CARE Channel, a therapeutic environmental programming format for patient television designed to comfort patients over the full 24-hour cycle with distinct day and night-time programming.

Dr. Harvey White Nursing Scholarship: We award four scholarships annually to nurses that wish to continue their cardiovascular studies.

Your generous donation will help all New Mexicans, improve their knowledge about cardiovascular wellness, and improve their lives in the process! The Heart Hospital of New Mexico Foundation is grateful for your partnership in delivering our mission. In addition to acknowledging your contribution as a donor in our Affair of the Heart program, we will be listing your company on our Special Events webpage on the Heart Hospital of New Mexico Foundation website www.hhnmfoundation.org.

On behalf of the lives you improve and the hearts you touch, our heartfelt thanks and good wishes,

Terry C. Harris, Executive Director
